ENJOY YOUR DREAM HOME AND HELP CHARITIES IN THE VALLEY

This Maple with Loft floorplan in our new metro elevation featuring four bedrooms, three full baths, one half bath and 2,483 square feet of living space. The open concept kitchen with island and great room on the main level make for the perfect entertaining space. Double glass doors and two corner windows flood the main level office space with natural light and make working from home a dream. Plus, you will love spending quality time in the secondary living area loft.

FEATURES:

- Granite kitchen countertops
- Stainless steel appliances including refrigerator
- 2-toned kitchen cabinets
- Double sink vanity, soaker tub and separate shower in primary bathroom
- LVP and carpet flooring
- Office and powder room on main floor
- Flexible loft space
- Blind package
- Rear landscaping
- 3 car garage

The Maple with Loft (Metro Elevation)

This home includes a Smart Home System, is HERS® and Energy Star® Certified, providing substantial annual energy savings!

Convenient Location

At Greyhawk, residents can enjoy relaxed country living with nearby access to outdoor adventures while still being close to Boise Metro and its amenities. Conveniently located off of Hubbard Road in Kuna, one of the fastest growing cities in the Treasure Valley, Greyhawk is close to an abundance of shopping, dining, and recreation options.

Be a Hero

Continuing the tradition for the 3rd year in a row, Hubble Homes teamed up with many of our partners, trade vendors and subcontractors to build this home. Graciously, Hubble Homes and its extended group of building partners donated revenue proceeds, labor, and materials in an effort to make the largest donation possible to the valley non-profits. A special thanks to all trade partners for making this year's Hero House a possibility.
